Context:

Commerce is known as the most glorious field. It is also one of the saying that nothing works without Commerce. Knowledge of Commerce is required in almost every field. Due to globalisation different nations of the world came closer with the intension of development in trade and commerce. This has increased challenges to understand financial policies, its implications and its impact on the economy. This requires the in depth and practical knowledge in the area of Management, Business Law, Banking, Administration, Finance, Accounting, Marketing and many more. Commerce club is one of the association through which students get practical knowledge of commerce stream.

The Practice:

The practice of Commerce Club has been introduced by the department since last five years. In order to meet the challenging needs of corporate world environment, it is not just sufficient for a student of commerce to be sound theoretically but must also be exposed to the outer world in a dynamic way to face practical situation. Hence, the department not only concentrates on the academic excellence of its students but also nurtures their co-curricular activities to stand with the vision of exploring new horizons together with collective wisdom. Commerce Club plays a parent's role in moulding and

shaping future of individuals of the club to be more ethical and socially responsible citizens of the nation at large and a unique process where the super seniors of the department train, develop and enhance the opportunity to learn from each other.

Activities organized under Commerce Club:

- Guest Lectures
- Quiz
- Group Discussion
- Role Play
- Student Seminar
- PowerPoint presentation
- Poster Presentation

Evidence of Success:

- The students have got practical knowledge about communication skills and it also helped them to develop personality.
- The students got information regarding how to tackle various entrance exam and competitive exam.
- The student was benefited by gaining information about different recent trends in commerce and management.
- Through this practice the students now able to face challenges of industry.

Problems Encountered and Resources Required:
