Policy for Entrepreneurship Development Programme Cell (EDP)

Vision

To produce successful entrepreneurs with innovative skills and ethical business practices contributing to the development of the society and growth of the nation.

Mission

To promote the culture and spirit of entrepreneurship among students and motivate them to become self dependent and successful entrepreneurs.

EDP Cell Policy

The EDP Cell policy guidelines are as follows:

1. To organize Entrepreneurship Awareness Camps, Entrepreneurship Development Programs and skill development Programs.
2. To guide and assist prospective entrepreneurs on various aspects such as preparing marketing plans, financial loan assistance from MIDC etc.
3. To organize guest lectures, seminars, training, exhibition etc. for promotion and growth of entrepreneurship.
4. To arrange visits to industries for prospective entrepreneurs.
5. To arrange interaction with entrepreneurs
6. To make MoUs with different Entrepreneurial Institutes (Beauty Parlour)

EDP Cell Objectives

- To create awareness on Entrepreneurship among the students through training programmes and camps.
- To enhance industry institute interaction through guest lectures and industrial visits.

- To help students acquire necessary managerial skills to run an enterprise effectively.
- To generate entrepreneurship skills among the students to cope up with the current trends in the market.
- To help students channelize their goals to become a versatile entrepreneur.

EDP Cell Functions

The Entrepreneurship Development Cell is solely responsible for incubating entrepreneurial ventures within the campus and providing them with necessary assistance and resources for their development.

- To create awareness on Entrepreneurship among students.
- To inculcate Entrepreneurial Spirit and Culture among students.
- To kindle the sparks of students to develop their own start-ups.
- To prepare the students to run family businesses, and manage new ventures within established organizations.
