Respected Madam,

We, the undersigned students come from the different nearby villages to attend the college. When we enter in the college premises; we need to wash our hands. We don't have a sanitizer of our own. In the college premises there is a water tap and hand washing system only at the entrance of the college, which is not sufficient for all the students. Hence, we want the hand washing system at more and different places to be made available to us. We request you to please look into this matter and do the needful in this regards.
