## Criteria 6: Governance, Leadership and Management

### 4. Automation in Admission and Administration

All programmes admissions procedures are done online. The college website is accessible to the students. Our teaching-learning process is substantially supported by our online admissions procedure.

### 5. Student Mentoring:

The mentoring of students is an integral part of the college curriculum. Teachers are natural mentors of their students. M.P.H. Mahila College has a proper student mentoring system in place. In the beginning of each academic year, after the admission process is over, College is required to assign a teacher mentor to each student. In general, the number of students with each teacher mentor varies from 30 to 35 approximately according to the strength of teachers and students in college. Head of each department is assigned a mentor to final year students. The mentor is required to prepare a list of his/her mentee students and maintain the record of their information (mobile number, residential address, parents contact number etc) .Students are free to approach their teachers anytime if any issue is disturbing her routine, still, the system of mentor – mentee builds an extra confidence and sense of security among students. This whole system leads to a better connection between students and teachers and helps build a friendly and cordial relation between them. Students get a sense of protection because they know that they have someone to go to in case of any eventuality.

### Report of a seminar on "Outcome Based Education - Attainment and Mapping" 10<sup>th</sup> March 2023

IQAC of Mahatma Gandhi Vidyamandir's Mahilaratna Pushpatai Hiray Arts, Science and Commerce Mahila Mahavidyalaya organised one-day seminar on "Outcome Based Education – Attainment and Mapping" on 10th March 2023. Dr. Jayashree Bhalerao from MBA College, Panchavati, Nashik was the resource person of the seminar. She elaborated outcome based education through Bloom's Taxonomy with the help of understanding, remembering, evaluation, comprehension, application and analysis.

In order to measure the academic understanding of the students and to accurately understand the constructive method of measuring the appropriate academic performance, as well as the program outcomes, course outcomes and the design of question papers etc. were guided in detail through PPT. Dr. Mrunal Bhardwaj I/Principal, while expressing the Presidential speech expressed the need of quality excellence among the students and the need of productive education useful for future development. It is the duty of every teacher to involve every student in effective learning process. Now, it is the responsibility of the teachers to measure the progress of each student by using Bloom's Taxonomy and prepare an action plan for it. The program was organised by Internal Quality Assurance Cell. Vice Principal and I.Q.A.C. Coordinator of the college Dr. Deepanjali Borse introduced the function. Dr. Veena Nare anchored the session and Dr. Tejaswini Sontakke proposed vote of thanks of the Seminar. All teaching staff was present for the Seminar.
