Policy Document

On

Environment and Energy

**Mahilaratna Pushpatai Hiray Arts, Science and Commerce Mahila Mahavidyalaya,
Malegaon Camp Dist- Nashik**

Preamble:

The Environment and Energy usage Policy of Mahilaratna Pushpatai Hiray Arts, Science and Commerce Mahila Mahavidyalaya, Malegaon Camp Dist.- Nashik is to manage energy in such a systematic way so as to minimize its impact on the environment. Green Campus Committee of college is devoted to the cause of environmental awareness, to undertake green initiatives, and to conduct green literacy programmes to save energy and to protect the environment.

Vision:

This environment and energy policy is binding for all the components of the institution and applies to all its stakeholders and to the various activities undertaken by the institution. The policy implies to explore the renewable energy resources to reduce the burden of the government and to find out alternate resources as solutions to the energy crisis. It will help us to embed efficiency and environmental awareness into our everyday activities, thus helping us to realize our responsibilities and commitment to conservation of natural resources and to limit its usage.

Objectives:

- To sensitize all stakeholders towards a Clean, Green, and Sustainable Environment.
- To help the students/Faculty understand each individual's responsibility to take an initiative to save the environment.
- To work with all stakeholders and the local community to adopt environmental good practice and the reduction of any adverse effects on the environment.
- To continuously improve the efficient use of all resources, including energy and water, and to reduce consumption and the amount of waste produced, recovering and recycling waste where possible.
- To ensure judicious use of environmental resources to meet the needs and aspirations of the present and future generations.

Criterion – 7 Institutional Values and Best Practices

Mahilaratna Pushpatai Hiray Arts, Science and Commerce Mahila Mahavidyalaya, Malegaon Camp Dist. Nashik

Policy:

Awareness: Shall be creating awareness on Environmental conservation among students, faculty, administrative and supportive staff and work towards sustainable development.

Eco-education: Environmental Science is a mandatory course focusing on environmental concepts and issues will be integrated into to all academic, curricular, and extracurricular activities and programs of the College.

Green Initiatives: The College will work towards conserving and protecting natural resources for the future generation and will adopt green initiatives and sustainable measures for a clean and green campus. Activities to insist a sense of responsibility on environmental preservation will be promoted.

Pollution Management: Towards reducing pollution, steps will be taken up for minimizing CO², emission from automobiles. Authorities shall take suitable steps for a Smoke-free and Tobacco-free campus. The relevant placards are displayed to highlight the need for a clean, green, and sustainable environment

Outreach Programmes: The college will take up initiatives through its extension activities to reach the society through campaigns, workshops and awareness drives on pertinent environmental issues.

Energy saving: Graded efforts will be taken to replace out dated and energy consuming equipment with Energy efficient equipment /LED bulbs, Sensor based energy conservation measures shall be adopted. All stakeholders shall avoid using electric lights in classrooms and halls where there is sufficient natural light

Renewable Energy: To ensure energy security and conserve Nation's natural resources, the use of renewable energy through installation of solar power panels to augment the energy needs of the college will be implemented soon in upcoming year.

Waste Management: Segregation of solid wastes in different color coded bins will be ensured across the campus, Solid waste management of organic matter through vermi composting will be sustained.

Criterion – 7 Institutional Values and Best Practices

Ban On Single Use Plastic: Institute shall take a step forward to ban single use plastic all together to minimize plastic pollution in the campus. All stakeholders will be advised to use jute or cloth products for various purposes.

Water management: Through replenishing the ground water by roof top rainwater harvesting systems, bore well recharge system, trenches, ponds/bunds, judicious use of water resources and proper maintenance of water distribution system will be implemented

Quality audits on environment and energy: Energy Audit, Green Audit & Environment Audit to be conducted to assess and analyze the environmental impact. The analysis will be utilized to implement energy saving measures and upgrade the environmental condition in the campus.

This policy will be communicated to the students and employees via internal Communication channels, and will be made available to all the stakeholders on the institutional website. The Environment and Energy Policy, objectives and targets will be reviewed on a regular basis by the college under the guidance of the Principal of the college.

PRINCIPAL
S.P.H. Mahila Mahavidyalaya
Malegaon Camp-423 105 (Nashik)

1. Green Audit:

Internal Environmental Green Audit is conducted to evaluate the actual scenario at the campus. Environmental improvements by following green initiatives have gained utmost importance today for education institutions as environmental conditions are deteriorating day by day & therefore efficient GREEN management is the need of the hour. Apart from energy savings, Green Initiative effort leads to reduction in Greenhouse gas emissions which improves our environment to protect our planet earth from drastic climate changes & overall natural disturbance. We really appreciate the mission & vision of Shri Apoorva Hiray & his team to acknowledge the importance of energy & environment upgrades for sustainable development for present & future generation. National Assessment & Accreditation Council (NAAC) has also emphasized energy conservation & environment protection for educational institutions by providing an adequate platform for accreditation & Rating to encourage them for special efforts for these noble causes. Needless to say, our present & future generation can survive only if sufficient weight age & importance is given from our end to upgrade our present systems more in line with Nature & natural processes. It may be noted that our audit is not faultfinding exercise but is intended to bring about continual improvements in your college campus for the benefits of all of us incl. our future generation.

2. Energy Audit:

Energy Management & Energy Conservation have gained utmost importance today for education institutions as energy costs are on rising day by day & therefore efficient energy management is the need of the hour. Apart from energy savings, energy conservation leads to reduction in Greenhouse gas emissions which improves our environment to protect our planet earth from drastic climate changes & overall natural disturbance. We really appreciate the mission & vision of Apoorva Hiray & his team to acknowledge the importance of energy & environment upgrades for sustainable development for present & future generation.

National Assessment & Accreditation Council (NAAC) has also emphasized energy conservation & environment protection for educational institutions by providing an adequate platform for accreditation & Rating to encourage them for special efforts for these noble causes. Needless to say, our present & future generation can survive only if sufficient weight age & importance is given from our end to upgrade our present systems more in line with Nature & natural processes.

3. Clean and green campus initiatives

NO VEHICLE DAY

A Report

Date: 01/07/2019

The college observed the no vehicle day once in a week to reduce the pollution caused by vehicles. All the teaching and non-teaching staff members and students in the college come by a public transport and students and staff members those located near the college they prefer to walk **every Saturday** is celebrated as No Vehicle Day

The main purpose of celebrating this day is to sensitise the students about the importance of exercise such as walking and create the awareness about environment. There should be more usage of the public transport system, reduction in pollution caused by transportation, to reduce traffic on roads and to reduce road accidents.

This is not applicable to the checking squad of the department as well as the physically disabled employees and students of the college.

“Cleaning Campaign and Celebration of Sant Gadge Maharaj Jayanti”

Mahatma Gandhi Vidyamandir's Mahilaratna Pushpatai Hiray Arts, Science and Commerce Mahila Mahavidyalaya, Malegaon Camp National Service Scheme Department celebrated Sant Gadge Maharaj Jayanti on 23rd February, 2022. Sant Gadge Maharaj's 'pratimapujan' ceremony completed with the hands of Principal Dr. U. S. Deore. On this occasion National Service Scheme volunteers conducted cleaning campaign around the college Campus.

Sant Gadge Maharaj was a public teacher, he travelled from one place to another wearing his food pan upturned on his head and carrying his trademark broom. When he entered a village, he would instantly start cleaning the gutters and roads of the village. He also told the citizens of the village that their congratulations would have to wait until his work was done. Villagers gave him money; babaji used that for progress of physical as well as thinking of society. From the obtained money, Maharaj built educational institutions, dharmashalas, hospitals and animal shelters. So it is the responsibility of young generation to adopt values teaches by him.

NSS volunteerstakes active participation in cleaning campaign. Principal of college Dr. UjjwalaDeore provide guidance for said program. Vice Principal Dr. D. G. Jadhav and Academic supervisor Dr. D. A. Pawar helps in planning of program . NSS program officer Prof. D. R. Chandramore, Dr. R. N. Sawant, Prof. S. J. Salunke and NSS volunteers were present for program.

Report of Cleanliness Campaign

Mahatma Gandhi Vidyamandir's Shrimati Pushpatai Hiray Arts, Science and Commerce Mahila Mahavidyalaya, Malegaon Camp National Service Scheme Department organized cleanliness campaign at Malegaon camp area and surrounding of college campus on 24th September, 2018. NSS volunteers gave message to all that keeping the environment clean is important to being healthy. Many disease-causing germs exist in dirty environments, such as the ones that cause diarrhea and worm infections. This means that many diseases can be prevented through good hygiene, and by keeping the environment clean. NSS volunteer conducted cleanliness campaign in college surroundings and Malegaon camp area.

Principal of the college Dr. U. S. Deore inspired all National service scheme volunteers regarding cleanliness campaign. She expressed her views that cleanliness reduced pollution from environment. Cleanliness provides hygienic environment. It is the responsibility of every citizen to maintain cleanliness and sound environment for our new generation. National Service Scheme Programme officer Prof. D. A. Pawar, Dr. D. K. Borse took efforts for planning of cleanliness campaign. All volunteers actively participated in this campaign.

Report of Clean and Healthy India

Mahatma Gandhi Vidyamandir's Shrimati Pushpatai Hiray Arts, Science and Commerce Mahila Mahavidyalaya, Malegaon Camp National Service Scheme Department conducted Clean and Healthy India Campaign on 14th September, 2018 in college surroundings. The objective of this campaign was to create awareness about cleanliness. Cleanliness and hygiene both play a very important role in healthy life.

National Service Scheme volunteers conducted cleanliness campaign in college campus. They cleaned the college campus and gave a good message of cleanliness and health. College teaching staff and administrative staff participated in cleanliness campaign. Volunteers zestfully participated in clean and healthy India campaign.

Dr. Ujjwala Deore provided guidance for planning of clean and healthy India Campaign. NSS volunteers and the college staff actively participated in clean and healthy India campaign and created a sense of social responsibility in the community.

Report of Plastic Free Campaign

Mahatma Gandhi Vidyamandir's Shrimati Pushpatai Hiray Arts, Science and Commerce Mahila Mahavidyalaya, Malegaon Camp National Service Scheme Department organized Plastic free campaign at Malegaon camp area and surrounding of college campus on 27th September, 2018. Plastic materials or plastic bags are very hazardous to nature. It is non degradable wastage. And it is also harmful to animals. Animals eat plastic bags, it causes illness to them. Nowadays increasing use of plastics is one of the biggest issues for environment imbalance.

NSS volunteers took initiative for plastic free environment. They collected plastic bags and materials from Malegaon camp area. And also gave a message to peoples that do not use plastic bags, instead of plastics use cloth bags or paper bags. Plastic is very hazardous to nature. Audience agreed with the views of volunteers and appreciate the initiative taken by them. Environment protection is the responsibility of every citizen and for creating healthy environment we should always aware about it.
